**Subject:** Part 25 Public participation requirements

Hi Sandie,

I'd like to request that EPA conduct an evaluation of WDEQ's compliance with CWA and UIC public participation requirements. 40 CFR 25.12. Is there a specific process for such requests or do I just send a letter to the Administrator? Can you tell me when such a review or audit was last conducted by EPA? I'd also like to request a copy of EPA's most recent reviews/audit of DEQ's CWA and UIC programs. I assume this is online somewhere?

Thanks in advance for your assistance.

Dan
